

The Art Gallery of Regina exhibits contemporary art by living artists in exhibitions that are free to the public; we do not sell artwork on behalf of collectors.

If you are looking to have artwork appraised, be aware that art appraisal is a skill and it costs money to have an artwork appraised. The following is a list of licensed art appraisers or commercial galleries that do appraisals:

- Susan Whitney in Kelowna (formerly Regina) (<http://www.susanwhitneyappraisals.com/profile.html>)
- Lantern Galleries in Winnipeg (<https://www.gallerieswest.ca/locations/lantern-contemporary-art/>)
- Mayberry Fine Art in Winnipeg (<https://mayberryfineart.com/services/art-appraisals/>)
- Gail Nep in Winnipeg (<http://www.gailnep.com/>)

If you are looking to sell work on the secondary market, we recommend that you contact Assiniboia Gallery in Regina (<https://www.assiniboia.com/contact>).
