NEW GUILD MEMBERSHIPS

A new guild membership category has replaced the invoicing and fee system to be more inclusive and resilient to changes in guild contacts. A guild membership gives your guild the following benefits:

- **Inclusion on the "Guild Sponsored Information" page on our website. Each guild can include a small paragraph about the guild, instructions on how to join, and up to three pictures.**
- **inclusion of one Guild sale advertisement per year in our quarterly Newsletter (maximum 1/3 page)***
- **inclusion on the "Guild + Collective" info page in our quarterly Newsletter**
- **inclusion on an information sheet that is available at the office and distributed to anyone interested in joining a guild**
- **Inclusion in annual Guild and AGR planning conversations around workshop themes + possible invited speakers**

This membership is for your guild as an organizational entity and is not a replacement for individual memberships. If your members wish to be AGR members, they must purchase individual memberships.

Guild memberships do not include individual membership benefits such as voting at the AGM, participation in Members' Shows and Outside the Box programming, discounts at various stores in Regina, or discounts at workshops.

*Guilds can place additional advertisements in AGR newsletters for additional fees. (Please contact us for more information).
